Season Of Jubilation.

Philippians. 4:4.

Jubilation is a feeling of great joy, triumph, or exultation.
Jubilation is often associated with celebrations of victories, whether in ministries, sports, business, or personal endeavors. For example, a team winning a championship or an individual achieving a long-held goal. Jubilation can also be a response to being freed from hardship or receiving a blessing. Jubilation is often expressed through singing, dancing, and other forms of joyful expression, reflecting the deep-seated joy and gratitude felt by individuals or groups. In religious contexts, jubilation can be a response to worship, prayer, or receiving divine blessings. Jubilation can be a part of celebrations of life milestones such as weddings, births, and other significant events.
In essence, jubilation is a powerful emotion that can be triggered by a wide range of positive experiences, highlighting the joy, triumph, and gratitude that can arise from both personal and communal celebrations.
Psalm 126:3. *"The LORD has done great things for us; whereof we are glad."*

The Lord shall do great things for GOFAMINT Student's fellowship.
- Doing Great things that are extraordinary in our chapters.
- Making our lives on campus significant and impactful beyond the ordinary.
- Responding to God's work with gladness and gratitude.
- Demonstrating God's power and love for his people.

As prophetically declare by our father Pastor (Dr) E O Abina the General Overseer.
It is time to jubilate in GOFAMINT Student's Fellowship
It's our time, it's our stage and it's our seasons.
Glory to God.
Hallelujah.
